

# HARVARD COMBINED ORTHOPAEDIC SURGERY ALUMNI ASSOCIATION

On behalf of Dr. James Herndon, Dr. Thomas Thornhill, and the Harvard Combined Orthopaedic Residency Program Alumni Association, we would like to extend greetings to all of our alumni and warm wishes for a happy, healthy, and productive year. We enjoyed seeing many of you in February at the alumni gathering at the 69<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons in Dallas, Texas. We hope to continue to expand the ways in which alumni can meet and support the clinical and basic science pursuits of the Harvard Orthopaedic Program in the future.

As in previous years, we have attempted to reach all alumni in an effort to update our records with the most recent information and to stay connected both socially and academically. Our sincerest thanks to all of you who responded and shared some of your recent accomplishments, publications, family news, and exploits.

To any of you who were unable to contribute to the alumni section this year, we hope that you will submit any personal or professional news (including pictures) for next year's Journal. You can mail them to:

The Orthopaedic Journal at Harvard Medical School  
Massachusetts General Hospital

Or send us an e-mail at:
